

APIX PROPOLI CHEWABLE CAPSULES

Balsamic response to winter ailments

HOW IT WORKS

Thanks to the essential oils of **Thyme**, **Anise** and **Mint**, the **APIX PROPOLI chewable capsules** have a balsamic action and contribute to the well-being of the nose and throat. Moreover, they have an emollient and soothing effect on the throat and support the tone of the voice thanks to the **Hedge mustard**, while the **Zinc** helps the normal functioning of the immune system.

WHEN TO USE IT

At the first symptoms of a cold, sore throat and other ailments typical of the cold season.

HOW TO USE IT

Take 4 to 6 capsules throughout the day for a decisive balsamic effect. Recommended dose in children and adults.

WHAT IT CONTAINS

In addition to the propolis with a high content of galangina and the Grapefruit seeds, the Capsules contain Liquorice, Hedge Mustard, essential oils of Mint, Anise and White thyme.

NOTES

Gluten-free. Sweetened with xylitol and stevia.

PACK

30 chewable capsules
