

Advil[®]

Wyeth[®]

IBUPROFEN TABLETS USP

Pain relief/Fever reducer

PACKAGE INSERT. PLEASE SAVE FOR FUTURE USE

Indications: For fast effective relief of headaches, toothache, menstrual pain and minor aches and pains associated with arthritis, muscles, joints, backache and for the reduction of fever.

Directions: Adults and children over 12: Take 1 or 2 tablets every four hours as needed. Do not exceed six tablets in 24 hours, unless directed by a physician.

Caution: Keep out of the reach of children. This package contains enough medicine to seriously harm a child.

Warning: Do not give to children under 12 unless directed by a physician. Do not take Advil[®] if taking acetylsalicylic acid (ASA) or if allergic to ASA, ibuprofen, other salicylates or anti-inflammatory drugs, or any of Advil[®]'s ingredients.

Consult your physician before taking Advil[®] if you have peptic ulcers, asthma, high blood pressure, heart, kidney or liver disease, any other serious disease, or are taking any other drug. Do not take Advil[®] if you are pregnant or nursing a baby, unless directed by a physician. Do not exceed the recommended dose unless advised by a physician. If abdominal pain, heartburn, nausea or vomiting, bloating, diarrhea or constipation, ringing or buzzing in the ears, nervousness, sleeplessness, dizziness, any change in vision, fluid retention, itching, skin rashes or any other side effect or unexplained symptom develops while taking Advil[®] discontinue use immediately and contact a physician. In case of overdose, call a Hospital or a doctor at once even if there are no symptoms.

Non-medicinal ingredients: acetylated monoglyceride, beeswax, cellulose, corn starch, croscarmellose sodium, iron oxides, lecithin, parabens, pharmaceutical glaze, pharmaceutical shellac, povidone, pregelatinized starch, propylene glycol, silicon dioxide, simethicone, sodium benzoate, sodium lauryl sulfate, stearic acid, sucrose, titanium dioxide.

Each tablet contains ibuprofen 200mg.

Store at room temperature (15-30°C)
