Oil of medium-chain fatty acids: food for special medical purposes.

Ingredients: vegetable oil 100% (medium chain triglycerides from palm and coconut fat in variable amount).

Important notices: the product must be used under medical supervision. Not suitable as a sole source of nutrition. Suitable for infants, children and adults. Not for parenteral use. Not suitable for people not affected by mentioned diseases.

Contraindications: Ketoacidosis/acidosis, decompensated liver cirrhosis, chronic kidney disease, metabolic disorders (MCAD deficiency).

Dosage: the recommended dosage must be determined by a doctor or dietician and depends on the age, weight and clinical situation of the patient. MCT fats must be introduced gradually in order to avoid osmotic diarrhoea, bloating, abdominal pain, vomiting or headache.

Usage: may be consumed as an energy enrichment of meals. Not suitable for cooking.

Storage: store in a dry location out of direct light, at max. 20°C. Once opened use within 1-2 months.

Product Code: 6050020000
