

# Cerutin<sup>®</sup> Rx 60 Tablets

## DESCRIPTION:

Cerutin<sup>®</sup> Rx 60 is available as greenish yellow, round biconvex tablets, plain on one side, quadrisect on the other.

Each tablet contains:

Rutin NF..... 60 mg  
Ascorbic acid ..... 120 mg

Excipients:

Tartaric acid, corn starch, lactose, powdered cellulose, sodium carboxymethyl cellulose, magnesium stearate, polyvinylpyrrolidone.

## ACTION:

Rutin is a flavonoid obtained from buckwheat having an action similar to that of Vitamin P in increasing capillary resistance.

## INDICATIONS:

Conditions in which there is increased capillary fragility and / or permeability.

## DOSAGE:

One to two tablets three times daily as directed by the physician.

## CONTRAINDICATIONS:

Hypersensitivity to any component of this product or to buckwheat.

## SIDE EFFECTS:

Should any troublesome or unusual symptoms develop, a doctor should be consulted.

## STORAGE CONDITIONS:

Store in a dry place below 30°C, protected from light.

Do not refrigerate.

## DO NOT USE AFTER EXPIRY DATE.

## PRESENTATION:

Cerutin<sup>®</sup> Rx 60 tablets are available in boxes of thirty tablets.

### THIS IS A MEDICAMENT

- A medicament is a product which affects your health, and its consumption contrary to instructions is dangerous for you.
- Follow strictly the doctor's prescription, the method of use and the instructions of the pharmacist who sold the medicament.
- The doctor and the pharmacist are experts in medicine, its benefits and risks.
- Do not by yourself interrupt the period of treatment prescribed.
- Do not repeat the same prescription without consulting your doctor.
