C - Vital Sugar Free

Brand of Ascorbic acid, BP

Effervescent Tablets

DESCRIPTION *C - Vital* , brand of Ascorbic acid, is a Vitamin C preparation formulated into sugar-free orange flavored effervescent tablets.

ACTIONS *C - Vital* is an antioxidant involved in tissue repair and collagen formation. It contributes to the absorption of iron from oral formulations and may play a positive role in the immune function, thus increasing the body's resistance to infections and diseases.

INDICATIONS *C - Vital* is indicated:
- in Vitamin C deficiency (scurvy).
- as an adjunct in prevention and treatment of cold and other possible viral infections.
- during disease and convalescence period.
- to increase physical and mental effort.
- during growth and development.
- to promote healing of wounds.
- *C - Vital* , sugar free, can be safely administered to diabetic patients.

CONTRAINDICATIONS *C - Vital* is contraindicated in nephrolithiasis with oxaluria.

PRECAUTIONS *C - Vital* should not be taken in large amounts for long periods.

ADVERSE REACTIONS At the recommended daily dose, no side effects are to be expected.

DOSAGE & ADMINISTRATION
One effervescent tablet daily (or as recommended by the physician) dissolved in a glass of water (dissolution may be delayed if cold water is used).
