

BIOFREEZE® CRYOTHERAPY

Indications: For the temporary relief of minor aches and pains of muscles and joints associated with arthritis pain, backache, strains and sprains.

Directions: Adults and children 12 years of age and older: Apply to the affected area not more than 3 to 4 times daily. Children under 12 years of age: Consult a physician. Consult your physician before use if you are pregnant or nursing or have sensitive skin. Spray on desired area of the body, massage not necessary. Rinse hands with cool water.

Warnings: Use only as directed. For external use only. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately. Avoid contact with the eyes or mucous membranes. If conditions worsens, or if symptoms persist for more than 7 days or clear up and recur again within a few days, discontinue use of this product and consult a physician. Do not apply to wounds or damaged skin. Do not use with other ointments, creams, sprays or liniments. Do not apply to irritated skin or if excessive irritation develops. Do not bandage. Store in a cool dry place with lid closed tightly. Keep away from excessive heat or open flame. Do not use with heating pads or devices.

KEEP OUT OF REACH OF CHILDREN
